

MORE SPEED FOR UP TO \$30 LESS PER MONTH? THAT'S VALUE!

To our **valued** High Speed Internet customers, you now have even more **value** for your money!

Peoples Telecommunications has responded to our Internet customers' needs by increasing our basic speed to **1.5mb** without increasing our basic charge.

**Current 512 customers will move to 1.5mb without an increase in rates.
Current 768 & 1.5mb customers will see a reduction in current charges.**

In addition, we now offer even higher speed with our **3mb** service! Great speed! Great value! 3mb service ale carte price \$85.90-access line, taxes and surcharges not included.

In addition, we would like to remind you that **Peoples Telecommunications** offers many bundled service options. We have many long distance options including our new "All You Can Eat" package for single-family residential customers.

Peoples Telecommunications is also excited to offer cellular phone service through our new **Peoples Wireless** program.

As always, we offer the added **value** of one bill, quality and consistency of service and a localized helpful and friendly staff. For more information on all we have to offer, please contact our office at 913-757-2500.

Thanks and we appreciate your business!
